Hi Everyone

Happy New Year, I hope our first newsletter for 2022 finds everyone safe and well. It was hoped that we would be having a face to face meeting but trying to get meetings up and running has been a bit of a rollercoaster ride. Hall hire restrictions of the 2 square metre rule and wearing of masks inside doesn't make it comfortable for demonstrators or members. There are council rangers doing the rounds and if we are not compliant we could be fined and lose the use of the hall. So, Zoom it is!

This meeting is our Annual General Meeting and we are looking forward to welcoming some new committee members.

Thank you to Jeannine Ashby for taking on the job of organising the demonstrators. Please make the job easier by providing Jeannine with a date suitable for you to demonstrate.

We also require someone to help Lyne with the newsletter please. Unfortunately it doesn't put itself

together. An editor only is required, Lyne will continue to publish and print/email the final version to the members.

Lastly a person or two to look after Facebook and Instagram pages for Sydney Branch. This is to let others know what we are doing as a branch. These jobs don't always require you to attend a committee meeting, which we currently hold via zoom.

To everyone entering the royal or local shows we wish you good luck.

Thank you for your understanding as we continue to try and get our meetings back to being face to face. I can't wait to enjoy each others company again.

Depending on how the covid situation unfolds, we may also hold the April demonstrations via Zoom.

Regards

Denise Fuhrmann

President
